14th December, 2015

Principal’s Message

Dear families and friends,
I am pleased to announce that the Dux of the College for 2015 is Matilda Boseley. Matilda has achieved outstanding results as follows: Chemistry 36, English 43, Maths Methods 37, Specialist Maths 31, Global Politics 38 and Theatre Studies 45. The breadth of Matilda’s studies is notable as has been her involvement in many aspects of the life of the school throughout her six years here. She is wonderful young Presentation woman and we are very proud of her. As results have only been released today, we have not completed a full analysis but a full report on this will be provided in the first Lantern for 2016.

In this last Lantern for the year, you will read a great deal about the many activities the staff and students have been engaged with over the last few weeks of the year. As you can see, there was no ‘winding down’ as staff and students completed assignment and exams – the Year 8s for the first time, went on camps, welcomed new students for 2016 and enjoyed new learning experiences.

In November, we were proud to once again attend the launch of Shared Stories, the wonderful annual collection of writing and art which features the work of many PCW Melbourne students. We were especially delighted and proud when Year 7 student, Paige Connor, was awarded the ACU Writing Award for the finest piece of writing in the collection. Paige’s beautiful, brief, moving ‘Little Boy Lost’ honours her baby brother, Marcus, who was ‘born sleeping’ five years ago. You can read the piece in this edition of the Lantern. Congratulations Paige.

For the last time, I write to you all as Principal of our school. It has been an honour to work for and on behalf of the Presentation Sisters these 12 years. - in some ways a fulfillment of my own education by them and a tribute to all those who have gone before. I have especially enjoyed and valued the opportunity to extend their work and mission. At this time of great change for our Sisters, I see in the students of PCW Melbourne the living expression of the mission of Nano Nagle, Paul Mulquin and the foundation Sisters and all of those who followed. In them, the mission will live on.

I have become well known for saying that teaching is the most important job in the world and I am very happy about that. Because it is - but also because it draws attention to the significance of the work of teachers and all those who work in schools. Being the Principal has meant being in the engine room of the most important job in the world at PCW and I have loved it and felt the privilege of it every day.

I thank you all for being a part of my years here at Windsor and I look forward to those times in the future when our paths might cross once again.

I wish all in the PCW Melbourne community a Happy Christmas and good wishes for 2016. May the light of Nano bless and guide you always.

Good wishes

Leonie Keaney
Principal

Prayer: A Christmas Prayer

The joy of discovery
that moment
when hope and expectation
were gloriously met
by the illumination of one bright star.
We cannot imagine
what words were spoken by visitors
or if first impressions
left them somewhat confused.
Messiah, Saviour, a King
born in the barest of palaces.
Yet they saw and fell down
on their knees in adoration.
Lord, they saw you and knew
whom they had met.
As we meet around crib
candle or advent wreath
draw us into that stable
In our imagination.
In the quiet moments of prayer
this Christmas, that brief oasis
from the bustle of the world
bring alive to us
the smell of the hay
the sound of the animals
the cry of a baby.
Draw us close to our Saviour
Messiah and King as we bring
not Gold, Myrrh or Frankincense
but the gift of our lives
the only offering we can bring.

An app that manages your daughter’s medical information, permissions and emergency contact details from your smart phone, iPad or computer anywhere, anytime. Download the app for free today!

To eliminate the need to continually complete medical details at the start of each year, and to avoid some of the difficulties experienced at the start of this year, the College has engaged the services of CareMonkey.

It provides parents the opportunity to update medical information promptly and accurately while providing the College with instant access to the emergency information provided by you. Similarly, excursion letters and permission forms will be sent using CareMonkey to your email address from the start of 2016.

Parents with students currently enrolled in Year 7 – 11 will be sent a letter during the holidays. In the meantime, please visit www.caremonkey.com.au for more information, privacy and security details and instructions on downloading the free iPad or mobile phone app.
The New Day Box Project

Families are invited to support the New Day Box Project. This project helps send a message of hope to woman in domestic violence crisis this Christmas. If you are able to help, please visit their website.

http://www.newdaybox.org

The beautiful PCW ART SHOW Calendar and Card Sets are still available for purchase. Each are priced at $10 and are available from Trish Chester on office@pcw.vic.edu.au

Limited stock!
Little Boy Lost

Dear Marcus,

The day that was supposed to be a miracle turned out to be a nightmare. As the tears trickled down my cheeks and my heart started to deflate, it was the first time I saw you. You were born sleeping. Your tranquil, motionless body appears in front of me whilst my mind was wrapped with confusion.

Your breathless body was handed to me. There you were, a placid baby boy resting in my arms. In my mind, I begged and begged for you to wake up, but you never did. Your delicate, silky hand was in my tight grasp as I looked into your peaceful face. Blood stained your beautiful face, however, our family’s tears washed it away. That first touch has made an imprint on my heart and I will never forget the peace I felt with you in my arms.

It was here. It was already time to say goodbye to your precious, frail body. We arrived in a daunting, silver station wagon that also carried you. The coffin was opened for the last time, the last time to see your lifeless body. Your coffin was white as snow, outlined in a charcoal silver. Every child, who attended the funeral, was offered a teddy bear to represent the love you would have spread around.

Now where you lay, many children lay with you. Rows and rows are occupied with children unable to wake up from a dream. A rainbow of toys, balloons and windmills are placed in the soil of where you slumber. You are surrounded by many other young children who you can play in peace with. No matter what happens, you will always be remembered in my heart and as my baby brother.

Love from your big sister Paige

Year 7
Shared Stories 2015

Last Friday saw the launch of the 10th anniversary edition of the Shared Stories anthology of student writing and art work. This year’s title Remembering acknowledges the centenary of the First World War, as well as lending itself to some deeply moving and insightful writing about the past and memory. Students at PCW Melbourne, along with another twenty Catholic primary and secondary schools, have produced some truly beautiful and inspiring writing and artwork for this special publication.

As one of the founding schools, Shared Stories is seen at PCW as the pre-eminent book of student writing in which to have your work published. Indeed, the sight of four excited Year 10 girls opening a box of freshly delivered anthologies reminded me of Christmas morning. It is such a thrill to be published in this anthology.

Speaking of thrilling, one of our Year 7 students, Paige Connor, was recognised with the prestigious ACU Writing Award at the launch. Dr Matthew Ryan from ACU commended Paige’s honest and powerful piece ‘Little Boy Lost’ to the assembled audience. Given the quality of writing in the anthology, the ACU award is a glowing endorsement of Paige’s maturity as a writer. Paige’s piece will soon be uploaded to the Shared Stories Website http://www.sharedstoriesanthology.org/.

Congratulations to all of our artists and writers who have been recognised in this year’s Shared Stories anthology. I would also like to recognise the commitment of the English teachers who have helped with selection, proofreading and editing suggestions. It has been a privilege to have been involved with such a team.

Chris Pearson
Head of English
Italy Trip

Some photos of the recent student trip to Italy - a bus tour taking in the sights of Rome, the Vatican and saw the Pope at the Papal Angelus, and then walked through the city seeing Piazza Navona, the Pantheon and the Trevi Fountain.
Italy Trip (Cont.)

A tour of Bologna, including Piazza Maggiore, and the Palazzo del Archiginnasio (the old university buildings), ending up at the two towers. The Torre degli Asinelli is 97 metres tall, and we climbed all 498 (steep!) steps, for a wonderful view of Bologna.
Italy Trip (Cont.)

On Friday, after an amazing time in Rome, Orvieto and Siena, we arrived in the beautiful city of Florence. Florence is full of amazing art museums, architecture and history. During our time here, we visited galleries such as the Uffizzi Gallery and L'Accademia where we saw works of art by Caravaggio, Leonardo Da Vinci and Michelangelo, including the mesmerizing Statue of David. We also stood in Piazzale Michelangelo where we took in the breathtaking view of Florence.

Each day we attended Italian and art classes at the ABC Language school. Our teachers taught us a variety of useful Italian skills and vocabulary, as well as a traditional song and dance. On our final day of classes, our task was to explore a local food market where we had the opportunity to speak to the locals in Italian about their favorite recipes and foods. We have now passed the halfway mark of our study tour and are in Bologna for our 5 night homestay. So far it has been an amazing and incomparable experience for which we have our parents and teachers to thank.
Japan Trip

The subway is such a big part of the Tokyo experience, and we’re all amazed at how efficient, fast and comfortable it is. People are so quiet and respectful, even on busy trains, as talking on phones is disallowed and people speak very little to each other. And all so well dressed ... as were some of the students in their new, stylish Harajuku attire.

All students were rather overwhelmed approaching Disneyland. As the iconic castle got closer and the familiar disney tunes got louder even we teachers filled with youthful excitement. Before long we were all off to explore the many amazing worlds and take advantage of a rare chance at unabashed play. From Toontown to Tomorrowland we frolicked among the brilliance of surely one of the best theme parks in the world. So many people yet not a skerrick of rubbish anywhere, and the line-up system was very well organised.

A glorious day had by all. The girls were quick to label it the best day yet (out if 2 1/2 days), but I think we can top that as the trip continues down a more cultural and historical path.

Brad Denny
Year 7 Final Week Review

Well the final week of Year 7 has come to an end – I cannot believe it! It has been a busy, yet very exciting and memorable, year. The girls have been amazing. They are an extremely caring, energetic and lively bunch. I look forward to working with this group, again, in Year 8.

The final week of Year 7 saw a crazy amount of fun and exciting activities. The girls began with their homeroom netball competition. For the third term in a row, 7 Gold were our winners. The spirit award went to 7 Blue – nothing beats the Haka (led by Hana Glasgow Palmer).

The girls were excited as they entered Tuesday. The day began with the Jump Rope for Heart competition. This was a homeroom versus homeroom activity. I was so impressed with how the girls worked well together and created amazing class routines. We had High School Musical performances and even explored generations of different music. The Jump Off was won by 7 Red. The girls thrilled us all with their amazing choreography and teamwork. The overall competition was won by 7 Gold. The girls worked extremely well together and managed to gain enough points to steal the win from 7 Green. Our skip off challenge was won by Darcie Sturge of 7 Green. She skipped for 7 minutes and 42 seconds – incredible... It definitely made us all tired watching.

Tuesday afternoon the students went to the library where Ms Leonie Keaney read her much loved Christmas stories. There were beautiful books read and shared as the girls listened very attentively. The Year 7 students farewelled Leonie as she enters her next journey away from PCWM.
Year 7 Final Week Review (cont.)

Wednesday was a crazy busy day. We had police presentations that explored cyber safety, followed by the Homeroom Christmas Carol presentations. These were incredible. I was amazed at the originality of the jingles. This time 7 Green were the overall winners and 7 Gold, again, received the Spirit award. The girls then shared an extended picnic lunch during Period 3 and then Latin danced during Period 4. The girls were tired but still full of energy.

Finally Thursday, the day I think all the girls were looking forward to the most. This saw the CBC versus PCWM dodgeball competition. We invited the Year 7 students from CBC to take part in a homeroom versus homeroom competition for the morning. The boys proved to be too strong for the girls and took home the bag of chocolates. This was then followed by a shared recess, where I am sure, a number of phone numbers were exchanged between one another.

In the afternoon, the girls were then taken to the lecture theatre where they watched ‘Home Alone’, whilst munching away on chips/popcorn and a bag of lollies. A very relaxing end to an extremely busy week.

Friday, the end of term – CRAZY! A year level assembly where we thanked homeroom teachers, class captains... watched performances and said farewells. The girls then went back to their classrooms where they packed up their rooms. Then a beautiful liturgy with the Year 8 students to signify the end of their first year as secondary school students.

I would like to say a very big THANK YOU to all the students for being so amazing this week and extremely positive. To all the staff for taking part in supervisions and the coordination of special events for the girls. But in particular, Emily Patterson (AFL trainee), who ran two full days of the program in my absence. You will be greatly missed next year!

I wish all the students and staff at PCWM a very Merry Christmas and a happy and joyful New Year. See you in 2016!

Natalie Tommasini
Year 7 Coordinator

“The first day of Year 7 was the scariest day ever! Walking through the front gates and seeing so many new faces was amazing. I can't believe how far we have come. This group of girls have been such a beautiful bunch throughout the year but we wouldn't have been able to get through the year without our amazing coordinator, Miss Tommasini. She has always been there for us and she has been a great inspiration to all! 2015 has brought so many memories and I'm excited to see what next year brings! Year Seven rocks!!!!”

Ruby Munro
7 Gold
Year 7, 2016 Orientation

Our newest members of the PCW Melbourne Community met on Friday 20th of November. The girls and their families were warmly greeted by staff and students in the Hall where Ms Keaney, Ms Tommasini, past student Jessie Rake-Bolt and our 2016 student leaders addressed them. We were also fortunate to have Ms Virgato, Principal for 2016, in attendance. Ms Virgato spoke to the girls and their families and met with parents over morning tea prepared by the Parent Association. The girls proceeded to the classrooms to meet their class-mates and enjoy get-to-know-you activities with their homeroom teacher. After recess the girls participated in a range of PE and music activities designed to help the girls form positive relationships. At the end of the day the girls gathered in the Chapel to say goodbye to each other and their teachers.
It was a wonderful day!

Jude Wright
Year 7 Co-ordinator (2016)
Year 8 Picnic

On the last Wednesday of term the Year 8 girls enjoyed a day of perfect sunshine at the Royal Botanic Gardens. The picnic was the celebration of a wonderful year together. The girls played games, walked around the ‘Tan Track’, explored the gardens, enjoyed a yoga session and relaxed.

It was a great day!

Jude Wright
Year 8 Coordinator
Year 9 Camp

Wilson's Prom has been my favourite camp so far. The entire experience was so much fun. I loved the surfing and the hikes too. Sure, they were tiring and at times hard, but the great conversations with great girls and the awesome views made it that extra bit worth it.

Ella Monaghan
9 Red

My Year 9 camp experience was held at the beautiful and scenic Wilson’s Promontory. The four days were filled with fun and exhausting activities. The most prominent and tiring activity was definitely the hiking, especially the 20 kilometre hike we did on the second day. There was lots of falling over and complaining but also a lot of laughter and singing. Everyone who came on the second group to Wilson’s Prom were friends, I had a great time, basically, living with them. The camp was filled with funny moments and friendship. The beaches we visited were beautiful and many pictures were taken and of course, posted. The teachers were all so great and funny, all the students would agree that the teachers were more like friends to us during camp. Overall, my Year 9 camp experience at Wilson’s Prom was enjoyable, and I feel very privileged that the effort was made for such a good time.

Deepawali Celebration

Below please find an article from Sr. Anastasia in India. The Jeevan Jyothi Hospice in India is where we have recently sent some funds from our fundraising efforts.

Shane Taylor
Head of Faith and Mission

“The light brings brightness hope to hopelessness”

The festival of Deepawali in Jeevan Jyothi Hospice brings joy to many children and adults. Yes, on 7th November the campus of our Jeevan Jyothi Hospice was decorated and filled with festival Light and happiness. We the members of JJH welcomed each child and all those who came to participate with respect and smile.

The special invitees were Thasildar of Periyakulam, Director Reaching The Unreached, P.O Child Protection Unit, Intelligence Bureau and Sisters from Presentation Convent Theni. The children from T.Kallipatti School were specially invited (Red Cross)

Each one spoke about Almighty who is our Light, Guide and Master of everything in our day to day life. Deepawali reminds us that it dispels darkness. We all received the Light and we should share that light to all. Kuthuvilakku was Lighted and symbolically the Lighted candles were given to the children by the elders blessing them with God’s Light.
Expanding Horizons: Yarraville Project 2015

For the fourth year, Year 10 Science 1 students have designed and produced resources for the Yarraville Special Developmental School. The students at Yarraville S.D.S. have a variety of needs and so require resources that encourage them to play, socialise, communicate and learn.

For this Term 3 project, the Year 10 Science 1 girls work in groups to design a resource, make a prototype to test their design, and then make the final product – following the steps an engineer would take for such a project.

The resources made this year included:

The Interactive Velcro Board by Zoe Henningsen, Caitlin Maher, Kelsey Perry, Samantha Smith, and Victoria Tsirogiannis, can be used by students to name the day and month as well as describe the weather for the day and dress the 2D children on the board accordingly.

The Dance Mat by Isabelle D’Rozario, Niamh McFadden, Ines Naylor and Katherine Sofronas, allows students to listen to their preferred music and to then follow set patterns in order to dance to the rhythm.

The Magnetic Theatre by Santina Bresolin, Fiona Li, Sevil Meyzinoglu and Clio Theaker, has a number of different floors and backgrounds that can be used to simulate a different environment. The students can then move characters on the stage using a magnetic wand which attracts the character as it has a magnet attached under its feet.

The Magnetic Maze by Tasha Harvey, Coby Hiatt-Renkin and Emily Rule, uses a wand, which contains a magnet, to move a magnetic ball around a maze in order to improve hand-eye coordination.
Expanding Horizons: Yarraville Project 2015 (cont.)

The Sensory Pattern Mat by Persephone Gronert, Madeleine Moncrieff, Katia Muraca, Iona Murray-Walton is designed to allow students to replicate patterns using a variety of shapes with differing colours and textures.

Tangram Puzzles by Judy Kong, Natalie Howe and Olivia Windsor, is several sets of foam tangram puzzles that challenges students to use different tangram shapes to make various pictures such as a house (easy) or a fish (harder).

The girls worked really hard and for their efforts will receive a CSIRO CREST Silver Technology Award.

Jo-Lee Kennedy
Head of Science
Wishing you all the best!

### Change of Preference

You can change course preferences as many times as you like while Change of Preference is open.
Once you have your ATAR consider your order of preferences – think about what you really want to do and where you want to go most. Add more backup course options (make sure you satisfy the course requirements!)
Make use of all 12 preferences – very popular courses may have filled all their places in Round 1.
Get your preferences in and correct by 21 December.

If you have received a lower ATAR than expected did you opt in to receive Supplementary Offers when you registered? If not, then you may want to opt in now! Preferences can be changed between all five rounds closes a short time before each offer round reopens at 10am the day after each offer round (until the last round).

Year 12 Careers Information: Results, ATAR, Change of Preference & Offers

Offers

ALWAYS ACCEPT and offer!

Even if you are hoping for a higher preference offer in a later round, you should accept any offer you receive
You are automatically considered for any higher preferences in future offer rounds
80% of offers are made in Round 1
There is no guarantee of receiving another offer in a later round
Courses are not required to participate in subsequent rounds
If you receive another offer in a later round, you can withdraw from the earlier offer at that point

Verbal offers have no status. If you receive a verbal offer you should ask for the name of the person making the offer and contact VTAC immediately.

Responding to an offer: Accept, Defer, Reject

Receiving an offer does not confirm your enrolment in the course. To secure your place, you must follow the enrolment instructions in your offer message. In some cases you may be required to attend enrolment in person on a specific date and time.

To accept an offer, follow the instructions in the offer advice to enrol at the institution. No separate acceptance notification to VTAC is needed. If you can’t attend enrolment or are unable to attend at the specified time you should check with the institution whether an authorised nominee (someone you choose) can enrol on your behalf. To defer an offer, contact the institution. Not all courses allow deferment. To reject an offer, take no action. The offer will automatically lapse if you have not enrolled by the deadline

Supplementary Offers

Not yet received an offer after Round 2 and you have given permission, then institutions will contact you directly to suggest courses which still have vacancies.

Supplementary offers will commence after Round 2, and be formalised in the next offer round. Opt in by the deadline, opt out at anytime – this is done by updating your personal details you filled in initially and answering the question: Do you want to participate in the supplementary offer process. Supplementary offers will be processed weekly.

If you receive two or more offers at the same time, you will need to choose which offer to accept—you should not accept more than one offer.
Bell Times: 2016

In 2016 PCW Melbourne and CBC St Kilda have adjusted the Bell Times. This new timing will mean that Recess will occur after Period 1. This adjustment was based on feedback from staff, parents and students. We will be having a marginal reduction to lunchtime which still enables us to run current activities and an earlier finish time. This earlier finish time is supportive and effective for: Professional Learning, Afterschool Music Festival and Musical Rehearsals, Afterschool Meetings and Sports Training. It also ensures that no class time has been diminished.

Kelly McGurn

Parish of South Yarra (Volunteers Needed)

Dear parents,

St Joseph’s South Yarra is a local parish renowned for a wide range of justice initiatives and outreach work, especially across the accommodation and food sectors. In order to maintain our delivery of these services to those most in need of them, we seek a few more volunteers from the local community.

You are urged to consider this appeal – what difference could you make in your local community? For enquiries or to register your interest, please contact at your earliest convenience either myself or our Parish Secretary at secretary@parishofsouthyarra.org.au

Kind regards,

Chris Ryan,

St Joseph’s Parish
