Italy Trip

The benefits of such a tour include:

- improved fluency and understanding of the language
- increased appreciation of Italian Culture, Art and History
- awareness of Italy and its role in the European Union
- broader understanding of ourselves and our role in the Global Community
- insight into the day to day life of the Italians

It is our desire that this Study Tour will enable our students to develop a greater appreciation of a Culture which has made such a strong contribution to the world.
